DISCO BALL

Reverse Raffle & Silent Auction

TWO AUCTION OPPORTUNITIES

Gift Card Auction

ONLINE FROM JULY 27-AUG 2
OPEN TO THE PUBLIC

Great For: Service-based, hospitality and entertainment businesses

How To: Donate a gift card/certificate or tickets valued at $50+

Why Put Gift Cards Online?: Historically, gift cards and tickets perform better online, and physical goods perform better in-person

Can I Include Swag?: You may include swag that can be picked up by the winning bidder at your business. The item value will be set at the value of the gift card or ticket only.

Silent Auction

IN-PERSON AT THE DISCO BALL AUG 8
APPRX 450 BIDDERS

Great For: Businesses that want to promote their physical products or promote their brand with a themed gift basket

How To: Donate an eye-catching product or gift basket of any theme (not just disco!) valued at $50+

Can I Include a Gift Card?: If you are putting together a basket, yes, you may include a gift card.

Can I Include Swag?: Absolutely! But keep in mind that auction items perform best when non-branded, themed items make up the bulk of their value.
