Carteret County Chamber of Commerce

Make an Investment in Our Community

Businesses who sponsor Carteret County Chamber of Commerce events and programs are investing in the future of our local economy and contributing to the growth, education, and overall quality of life for people in our community.

We recognize top sponsors on the Chamber website home page and online business directory as Community Investors. The combined total value of sponsorships pledged in a calendar year determines eligibility. Members who meet or exceed $2,500 in eligible sponsorships per calendar year are considered Community Investors. Those who meet or exceed $5,000 in sponsorships receive top-level recognition as Community Champions.

Sponsorships are exclusively open to Chamber Members and are available on a first come, first served basis. Sponsors from the previous year have the first right of refusal for the same level of sponsorship within 7 days of the event's announcement in the Pulse Newsletter.
